## START YOUR JOURNEY TO BECOME A PRIVATE PILOT

Join our 13-week course tailored to equip you for the FAA Knowledge Exam, an essential milestone on your journey to earning a private pilot certificate. Alongside expert guidance, you'll receive a flight bag, plotter, and logbook, all the knowledge necessary to ace your Private Pilot Exam. Classes are offered on Saturday mornings or Tuesday evenings, providing flexibility for you to customize your schedule and achieve your aviation dreams.

### 2 DIFFERENT SESSIONS EACH WEEK

Attend one session each week

- Saturdays 9AM-12PM
- Tuesdays 6PM-9PM

### GROUND SCHOOL PREP

Our Ground School helps prepare you to take the FAA Private Pilot Knowledge Exam

### GROUND SCHOOL LOCATION

Class to be held in the Gymnasium at  
Christian Life Church  
4772 Old Manchester Hwy  
Tullahoma, TN 37388

### Class Information

This course is perfect for private pilot students who are wanting interactive preparation for the Knowledge Exam with Certified Flight Instructors.

Each Course includes a Gleim Private Pilot Kit (valued at \$225) which includes a Pilot Logbook, Pilot Handbook, Plotter, Flight Computer, and Flight Test Handbooks and more.

Our course runs for 13 week course with 2 sessions to choose from each week.

We'll make sure you're prepared for the flight exam by the end of the course!

Find out more at [WrightBase.com](http://WrightBase.com) or call 931-588-0211

**\$549.00**

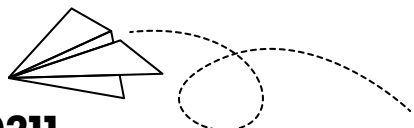

- Taking the Ground School and Passing the FAA Private Pilot Knowledge Exam are just two parts of obtaining your private pilot certificate. A minimum of 40 hours flight training with a certified flight instructor is an additional requirement and is not part of this course.
